## 5.OUTPUTS

# STUDENT MANAGEMENT SYSTEM PROJECT

## ABSTRACT:

The project entitled “**STUDENT MANAGEMENT**” is aimed to keep all student records and administrative operations ,including exams ,attendance,and marks .The main objective of our software is to efficiently maintain student records that allows a particular company/institute to collect,and manage student information and maintain search results.

The project has two main users namely administrator ,and student.The admin has control over entire process of the examination ,while the student has permission to visit and view his/her details only.

## SYSTEM STUDY:

### STUDY OF EXISTING SYSTEM:

- Existing System is manual collection of records ,that requires a lot of paper and a lot of time for retrieval .
- This System has to prepare application forms and separate records for students.
- This may lead to a easily losable and more error-prone.
- Also student-verification requires lot of effort.
- The main drawback of this system is that it is not all personalized and no security .It cannot be used for personal and quick reference.

### STUDY OF PROPOSED SYSTEM:

- Our Proposed System is the automation of this existing procedure.
- This requires fast retrieval and data accuracy will be the major benefit of the system .Also errors can be Minimized.
- **PASSWORD PROTECTION** facility is also incorporated ,that protects the system from unauthorized access to data .
- Our system overcomes the drawback of existing system as our system doesn't require any paper work .

### ADVANTAGES OF PROPOSED SYSTEM:

1. Secured access of data
2. Doesn't involve any paper work

3. Easy to understand and work with.
4. Quick retrieval of data is possible.
5. Stores data permanently.

## **SOFTWARE REQUIREMENTS:**

**Operating System:** Any OS capable of running Java Runtime Environment.

**TECHNOLOGY:** Java Enterprise Edition.

**WEB TECHNOLOGIES:** HTML, JAVASCRIPT, CSS, FIREBASE.

**WEB SERVER:** Any server capable of running Java Enterprise Edition 7.0+ APPLICATIONS.

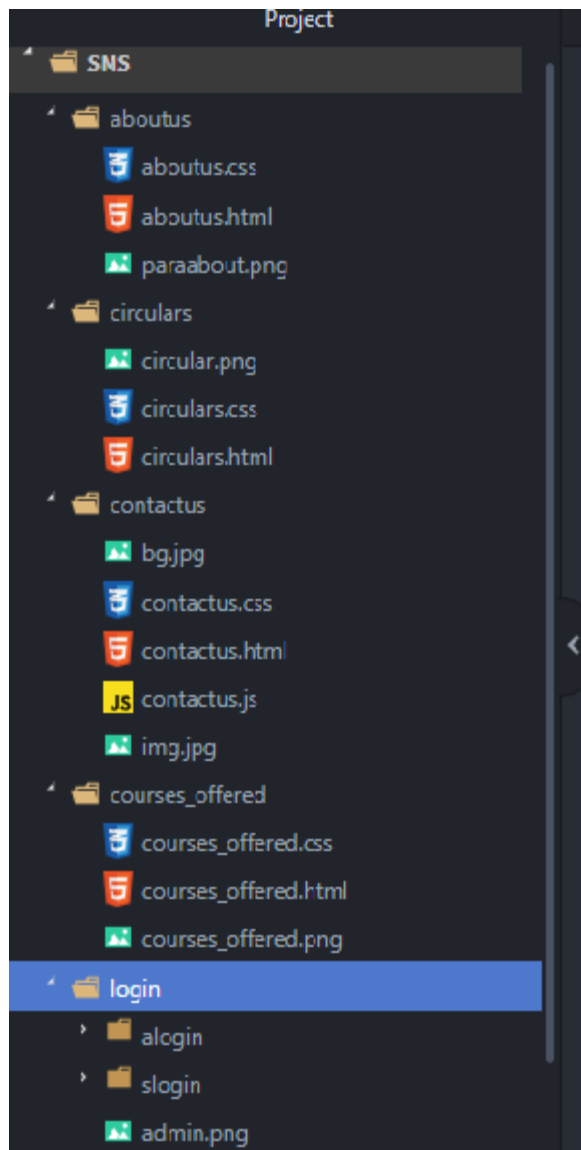

**DATABASE:** FIREBASE

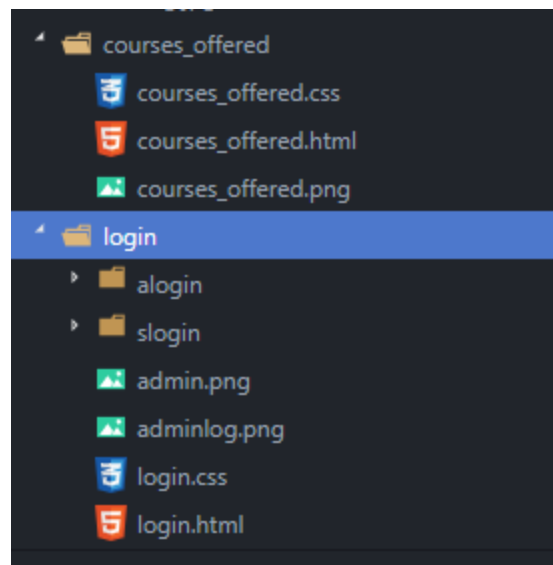

**SOFTWARE:** JRE 8.0+

## **HARDWARE REQUIREMENTS:**

**HARDWARE:** Any Thin Client capable of accessing Web from a modern web browser.

**RAM:** 512 MB.

    <h1 class='text-center'>ANDHRA UNIVERSITY COLLEGE OF ENGINEERING(A)</h1>
    <br>
    <hr size="3" noshade>
    <p>Andhra University was constituted in the year 1926 by the Madras Act of 1926.
The 94-year-old institution is fortunate to have Sir C.R. Reddy as its founder
Vice-Chancellor, as the steps taken by this visionary proved to be fruitful in the
long run.
</p>
<p>Former President of India Dr. Sarvepalli Radhakrishnan was one of its Vice-
Chancellors who succeed Dr. C. R. Reddy in 1931. The University College of Arts was
inaugurated on 1 st July, 1931. The inaugural courses were Telugu language and
literature, History, Economics and Politics. A year later, the College of Science and
Technology came into being with Honours courses in Physics and Chemistry. The
University pioneered in introducing many new courses in Science, Arts, Management and
Engineering in the country.</p>
<p>The University is spread in a sprawling campus of 422 acres dotted with 121
buildings of Academic, Administrative and support services with a plinth area of
about 20 lakhs sq.ft., and 324 staff quarters. Presently the University catering
the Educational needs of five green districts of Andhra Pradesh namely
Visakhapatnam, East Godavari, West Godavari, Vizianagaram and Srikakulam.</p>
<p>There are 365 affiliated colleges spread across five districts under the
territorial jurisdiction of Andhra University. The enrolment in Affiliated
Colleges is about one Lakh.</p>

**ANDHRA UNIVERSITY**

ఆంధ్ర విశ్వకళా పరిషత్

Accredited by NAAC with 'A' Grade ISO 9001: 2015 Certified

## ANDHRA UNIVERSITY COLLEGE OF ENGINEERING(A)

Andhra University was constituted in the year 1926 by the Madras Act of 1926. The 94-year-old institution is fortunate to have Sir C.R. Reddy as its founder Vice-Chancellor, as the steps taken by this visionary proved to be fruitful in the long run.

Former President of India Dr. Sarvepalli Radhakrishnan was one of its Vice-Chancellors who succeed Dr. C. R. Reddy in 1931. The University College of Arts was inaugurated on 1 st July, 1931. The inaugural courses were Telugu language and literature, History, Economics and Politics. A year later, the College of Science and Technology came into being with Honours courses in Physics and Chemistry. The University pioneered in introducing many new courses in Science, Arts, Management and Engineering in the country.

The University Presently is Offering 313 Courses in Arts, Commerce, Management, Science & Technology, Engineering, Law, Pharmacy and Education. The University has five constituent colleges and four AU Campuses. The Colleges of Arts and Commerce is the biggest constituent college in the University with 26 Departments offering 42 courses including four Diploma Courses. The College of Science and Technology has 21 Departments, which offers 63 Courses including one PG Diploma. The College of Engineering has 15 Departments offering Undergraduate, Postgraduate and Research Programmes. The College of Law has been identified as an advanced Center in Law by UGC. The college of Pharmaceutical Sciences is first of its kind in South India, which is offering one UG Programme and six PG Programmes, besides Research Programmes leading to Ph.D. Degree. The AU campus at Kakinada (East Godavari District) has five Departments and the AU Campus at Etcherla (Srikakulam Dist) has Eleven Departments. The AU Campus at Tadepalli Gudem has four departments and AU Campus at Vizianagaram has five Departments.

The University is spread in a sprawling campus of 422 acres dotted with 121 buildings of Academic, Administrative and support services with a plinth area of about 20 lakhs sq.ft., and 324 staff quarters. Presently the University catering the Educational needs of five green districts of Andhra Pradesh namely Visakhapatnam, East Godavari, West Godavari, Vizianagaram and Srikakulam.

The alumni of the University occupy important positions in government administration, Industry and research organizations with in and out side the country. The Government of Andhra Pradesh has appointed the professors of the University as chairman and vice-chairman of the APSCHE and presently ten Universities had Vice-chancellors from Andhra University.

There are 365 affiliated colleges spread across five districts under the territorial jurisdiction of Andhra University. The enrolment in Affiliated Colleges is about one Lakh.

## COURSES OFFERED IN AUCE(A)

### U.G COURSES

- B.Tech Computer Science and Systems Engineering
- B.Tech Civil Engineering
- B.Tech Marine Engineering
- B.Tech Mechanical Engineering
- B.Tech Electronics and Communication Engineering
- B.Tech Electrical and Electronics Engineering.
- B.tech Instrumentation Engineering

### INTEGRATED COURSES

- B.Tech+M.Tech Computer Science and Systems Engineering DUAL DEGREE
- B.Tech+M.Tech Electronics and Communication Engineering DUAL DEGREE

ENG IN 12:52 22-06-2022
